Hackney's Recruitment Kickoff Party A Success

We watched the weather all week, and by Saturday the snow was cleared off the roads allowing over 90 people to attend Hackney's for our kick-off to camp event on January 9th. There was plenty to do at the event including filling out camp applications, visiting with friends, snacking on mini Hackney burgers and voting for our 2010 camp T-shirt design. Matt Passen held a 50/50 raffle and raised \$90 dollars for Horizon. There were door prizes of Wolves Tickets and Hackney's gift certificates for the lucky winners. It was a great evening to visit long time Horizon friends and we even got to meet one of Horizon's newest members, Michael Moore. Special thanks to the recruitment committee for planning the event and to Greg Menn for organizing the T-shirt design suggestions and getting two great designs for us to vote on. If you were not able to join us at the event you can either call our hotline at 773-477-5170 or contact a recruitment committee member on the right to request an application. Better yet, go green and fill out your camp application on-line at www.associationofhorizon.org

What's New on the Horizon?

We take expanding our population seriously at Horizon. With that said, welcome Robert Jack LaMantia, Lisa (Broz) and Mike LaMantia's third child born on November 23, 2009.

Lori (Youngberg) and Bob Moore became proud parents on December 3, 2009 when their first child, Michael Walter Moore, was born.

And we're not done yet! This coming April Rachel (Fox) and Mike Youngberg are expecting their first baby and in June Erin (Flynn) and Chris Kowalski will welcome their fourth daughter!

In order to avoid changing this feature's name to "Baby Announcement Corner" we do have other exciting news.

On November 28, 2009, Justin Czerwionka and Patrick Swiszcz of the Maine South Hawks defeated the Marist RedHawks 41-17 to earn the Class 8A Championship Title! Way to go guys!!!

Katy Flynn loves the Bloomington/Normal area so much she will become an ISU Redbird this fall. So we will see her at Fall Weekend Camp!

Summer Camp 2010

At the time of this article there were approximately 130 days left for the camp committee to finalize all things camp. The theme for this year's camp is "Horizon Tours the USA". Tom Daly heads the committee and we are very excited to have a founding member of Horizon, Kathy Jay, join us this year in our camp planning.

We are bringing back some of our favorite camp activities such as Creaoke and Bill Hoffman's animal show and we are adding some new evening entertainment this year.

If you are not able to attend camp but would still like to stop by and visit with everyone, please mark your calendar for our visitor's day Friday, July 23. We are also looking for extra hands to help with camp set up and clean up on both Saturday, July 17th starting at noon and Saturday, July 24th starting at 8am.

Pictured above: Campers David Steele and Jen Campos enjoying a moment in song during Creaoke.

Above: Michael Meyer doesn't mind having a monkey on his back during Bill Hoffman's Animal Show.

If you can't make the drive down to camp but want to help our committee, you could do so by collecting donations needed for our week of camp. Some of the items we need are non-latex surgical gloves, bottled water, AA and AAA batteries, and of course gift cards for Sam's, Wal-Mart or Jewel. If you would like to contact the camp committee please send us an email at camp@associationofhorizon.org

This year we are facing a large increase in the costs to provide this amazing week of camp. It was a great accomplishment of Horizon to have our biggest year ever last year and to not have to turn any campers away. We hope to be able to do the same this year but we will only be able to do so with the help of our population. Besides helping with any of the donations listed above, as you see throughout this newsletter we have several fundraisers

planned in the upcoming weeks and months in various areas. We need you to support these events near you and to help spread the word among your family and friends. We are also always looking for new people to help in running new events. Contact us with your ideas, we'd love to hear from you!

Always Sad to Say Goodbye

Below: Dan and his attendant John Driscoll in the shade on a sunny camp afternoon.

No matter how often it happens, it is always a sad day when we say goodbye to a Horizon family member. Recently we lost two members of our extended family.

Daniel Skrzypczynski, born on Dec. 25, 1966 passed away on January 14, 2010. Although it's been a few years since Dan has been able to attend camp, he will be missed.

Michael Walsh, born July 1, 1969 passed away peacefully on Feb. 11, 2010. Mike enjoyed camp to the fullest every year, whether he was playing cards or dancing with the ladies. Camp will not be the same without his smiling face.
