Dear Friend,

The Association of Horizon, Inc. (Horizon) will be hosting its *Annual Golf Outing and Banquet* on Saturday, June 11, 2016. Horizon is a not-for-profit organization that provides an annual summer camp for adults with physical disabilities. This golf outing is our largest fundraiser and we rely on support from the community for a successful event. We are currently accepting donations and sponsorships for the outing which will be held at Blackhawk Trace Golf Club at Indian Lakes Resort in Bloomingdale, Illinois.

The focus of our summer camp is to provide an opportunity for people with and without disabilities to interact and challenge themselves by working together and learning from each other. Our camp is unique because each adult (camper) is paired with at least one person (volunteer) for the entire week. Throughout the week each camper experiences, sometimes for the very first time, activities such as boating, swimming, campfires, performing arts, and educational workshops. This unbelievable feeling of independence is then carried over to their everyday lives. This week isn't solely about the camper either; the volunteer usually has a life-changing experience by selflessly caring for someone else. This results in the volunteer truly seeing a person, and not a disability. This awareness can change their entire outlook on life; it is also our hope that it leads them to being an advocate for people with disabilities.

Horizon is seeking donations of raffle and silent auction items, as well as corporate sponsors. Your generous contribution in the form of raffle items, gift certificates, or sponsorships will allow our golf outing and summer camp to continue. Our goal this year is to raise \$25,000 to support Horizon's 25th Annual Summer Camp program. Horizon receives no federal or state funding and relies solely on contributions from individuals and businesses like you. Your participation is important to us and your contribution to Horizon is felt by all. Thank you for your time and support.

Sincerely,

Michael Meyer
