Dear Friend of Horizon,

The Association of Horizon, Inc. (Horizon) will be hosting its **Annual Summer Camp Program** July 21-27, 2013. Horizon is a Chicago based non-profit organization that provides a summer camp for adults with physical disabilities each year and also hosts a variety of monthly activities such as a fall weekend camp, all-day shopping trip, and holiday party. All of these activities lead to opportunities for adults with and without physical disabilities to socialize, interact, and learn from one another. These activities also help Horizon to expand public awareness and knowledge about people with disabilities.

The focus of Horizon's summer camp is to provide an opportunity for people with and without disabilities to interact and challenge themselves by working together and learning from each other. Horizon's camp is unique because each adult with a disability (camper) is paired with at least one person without a disability (volunteer) for the entire week. Throughout the week this partnership experiences, sometimes for the very first time, activities such as boating, swimming, campfires, performing arts, and educational workshops. Often times, this week of camp is the first and only time that the camper is independent, without the constant attention of parents or caregivers. (In the alternative, camp also gives the parents or caregivers a much deserved break.) This unbelievable feeling of independence is then carried over to their everyday lives. This week isn't solely about the camper either; the volunteer usually has a life-changing experience by selflessly caring for the adult with a disability. This results in the volunteer truly seeing a person, and not a disability. This awareness can change their entire outlook on life; it is also our hope that it leads them to being an advocate for people with disabilities.

Horizon is hoping to host 100 adults with disabilities this year. At approximately \$800 per camper, the total projected cost is \$80,000. This includes the campsite rental, medical equipment rental, insurance, supplies, activities, and food. In order for Horizon to keep this *free of charge for all participants*, we depend on generous companies and individuals. It is our hope that you will join them.

Thank you in advance for your time and consideration. Please contact me if you have any questions. My email address is [george.czerwionka@associationofhorizon.org](mailto:george.czerwionka@associationofhorizon.org).

Sincerely,

George Czerwionka
