CHICAGO EMMY AWARDS

On December 1, 2003 Mike Trimpe rolled over the red carpet as he represented the Association of Horizon at the 45th Annual Chicago/Midwest Emmy Awards. Board Member Tom Daly and Advisory Board Member Dr. Maria Brown joined Mike in the ABC 7 box as our organization cheered for Kevin Roy's nomination for Outstanding Achievement within a Regularly Scheduled News Program-Single Feature Soft News. The story, "Camp Horizon; Camp Equality" recognized what a vital experience our camp is for so many people. We can all be proud to be a part of the ongoing story of the Association of Horizon. Thanks again to ABC 7, Kevin Roy, Derrick Robinson (our favorite cameraman) and Annie Esp, the talented producer, for telling our tale so well to so many.

WOLVES HOCKEY GAME

On Saturday, February 21, Horizon held its fourth annual hockey outing. This year over 60 Horizon members and friends gathered to cheer the Chicago Wolves. The excitement began with a sensational fireworks and laser display when the team announces its starting lineup. They know how to get the house rocking. From the beginning you could tell these two teams meant business. There was a minor altercation among the teams and the next thing you know, four players have been ejected. By the time they started playing, the Wolves were the dominating team. There was action at both ends of the ice and the Wolves took the lead and never looked back. Horizon was proud to be part of another victory. Whether you are a hockey fan or not, the Wolves' games are exciting and entertaining for everyone. Horizon will plan another hockey outing during the 2005 season. Hopefully next year we can have over 100 participants. Good luck to the Chicago Wolves for the rest of the season and let's bring home another championship!

THANKS TO THE MORTON GROVE FOUNDATION

On Thursday, March 4th, the Morton Grove Foundation held their annual "Taste" fundraiser to benefit local charities. The Association of Horizon, Inc. has benefited from this fundraiser for several years and would like to thank the Morton Grove Foundation for their generous donation to our organization. This sensational event allows participants to indulge in a gourmet sampling of the local restaurants. There is a large selection to choose from including American, Italian and Oriental cuisine. That is just the main course; there is an excellent selection of desserts to choose also. Along with a variety of foods, they have raffle prizes, silent auctions, and musical entertainment. Continued success with your philanthropy efforts and we hope Horizon can be a part of it for years to come.

CANDLELIGHT BOWL

Saturday, June 12, 2004, the Association of Horizon, Inc. will be holding its 4th Annual Candlelight Bowl fundraiser, mark it down on your calendars. With members' support, this event can continue to grow and raise money for Horizon's Summer Camp program. Once again, Elmar Bowl in Bridgeview will be hosting this event. Everyone is invited to join us in three games of bowling, excellent food, a wonderful raffle and an evening of fun with Horizon friends and family. If anyone is interested in joining the committee to help plan this event, call the Horizon hotline, or e-mail Tom Day at Tom430@msn.com. For more information about this event, check the web site and look for a mailing in early May.

PEOPLE NEWS

We want to congratulate Horizon Board Member and Vice President Lori Youngberg on her marriage to Bob Moore February 14, 2004. We also want to thank them for a generous donation to Horizon in lieu of favors at their wedding.

2003 HALLOWEEN BENEFIT

On a dark and stormy Saturday (well maybe not stormy) last October 25th, Association of Horizon held its annual Halloween Benefit! Monsters, royalty, movie stars Wizard of Oz characters, a Mardi Gras Queen and even some famous art models joined clever and whimsical characters for a spooky celebration. Held at a new location, De Paul University's student center, moved to a Saturday night, the party had many new aspects and tweaks which will continue evolving with next years party. Two new groups volunteered including a local sorority and Lincoln Park High School's Horizon group whose assistance was greatly appreciated.

Although it is still winter outside already planning has begun for the 2004 Halloween Benefit. The committee is looking for new members, whether you can help a lot or just a little, so come join the fun! The committee welcomes suggestions and comments.

The Halloween Benefit information will soon be updated on the website, www.associationofhorizon.org so look for an upcoming information and brainstorming session.

A BIG TURNOUT FOR RECRUITMENT PARTY AT HACKNEY'S IN GLENVIEW

Horizon's annual recruitment party was a big turnout of Past, Present and Future volunteers at the party. Hackney's had their wonderful hors d'oeuvres out for us. The service was excellent as usual. We had new display boards with new pictures of Timber Pointe our new camp site. There were people filling out applications to see who could get their applications in first. We also had raffle prizes of Hackney's gift certificates, and tickets to Wolves' game. Lisa Tegmeyer won a gift certificate who said she never wins anything. The Recruitment Committee can't wait to spend time with everyone July 18-24.

CAMP HORIZON 2004

The camp committee is working hard on planning this year's Summer Camp. Camp will be held July 18-24, 2004 at Timber Pointe Outdoor Center in Hudson, Illinois. This will be Horizon's second year at the camp site and we are looking forward to another wonderful week. This year's theme is "Olympics". Each cabin will be their own country, then choose the sport you want to be.

Some of the activities we are planning include Bill Hoffman and His Amazing Animals, pontoon boat rides, and BAM Musical Entertainment will DJ the Friday evening dance. The committee is also discussing a variety of ideas that will tie in this year's theme. If you are interested in helping plan Camp, call the Horizon Hotline and leave a message. The committee meets once a month to discuss everything from day and night activities to the menu for the week. It is important for us to hear everyone's suggestions because we would like to make Camp as entertaining and as memorable as possible for all involved.

Due to Timber Pointe cabin sizes, space is limited. Camp applications are due June 1, 2004, so send in your application as soon as possible. If you are unable to attend camp for the whole week, but would like to still help, your assistance will be greatly appreciated. Horizon is always looking for people to help set up camp and break down camp. These jobs may not sound to you like a lot of fun, but they are important in assuring another successful week. For more information about setup and tear down, leave a message on the voice mail hotline, or e-mail Mike Trimpe at mt0623@aol.com.
