Camp Setup is a big task. If you are unable to join us for the week, we would like you to join us to set up camp and or come back at the end of camp to help us clean up. A walk for charity...

In May I will be attempting to complete a 190+ mile walk across Britain. I will be accompanied on this by three friends and hope to accomplish the hike in 14 days. The walk will start with our feet in the Irish Sea at St. Bees head, on the west coast of England, on Saturday May 11th and, approx 190 miles later (depending on unscheduled "detours"), will finish with our feet in the North Sea

at Robin Hood's Bay on the east Coast. For anyone who has traveled in Britain, our planned route will take us through three of the countries most beautiful areas: The Lake District National Park, The Yorkshire Dales National Park and The North Yorkshire Moors National Park.

Although I am doing the walk for pure, 100%, selfish pleasure, I also wanted to take the opportunity to raise funds for the Association of Horizon through sponsorship (plus, when I'm tired, cold, wet and miserable, it may just encourage me to walk that extra mile rather than hitch-hike to the nearest pub). Therefore, if you would like to sponsor me, please send an e-mail to robertheppell@attbi.com.

Thank you. Robert Heppell
