There has been a **change in venue** for The Association of Horizon, Inc.'s 9<sup>th</sup> Annual Golf Outing and Sock Hop, scheduled on Saturday, June 11, 2011.

Due to a scheduling error made by the Links at Carillon, we have been forced to move our event.

We are disappointed that our event had to relocate on such short notice. We recognize that this is an inconvenience to you, our guests. Please accept our sincerest apology, because your support is the most vital thing to sustaining the Association of Horizon, Inc.'s mission and vision. However, we know that your commitment and dedication to our organization is just as important to you.

Our golf committee has visited and selected a venue that we believe is exciting, beautiful, and has all of the amenities and more than our previous location.

We look forward to seeing you all for our golf outing and sock hop this upcoming Saturday. Please remember that your support at this event helps us provide a week of summer camp for adults with physical disabilities. You are an instrumental part of our organization and we can't wait to bring you a day of golfing, dancing, prizes and fun!

We will see you on Saturday, June 11, 2011 at our new location:
