Dear Friend,

This July, Association of Horizon, Inc. (Horizon) will host its 29th **Annual Summer Camp Program**. Camp is only possible because we have generous benefactors like you. Each year we try to expand our program to include new opportunities for adults with disabilities, and this year is no different. Here are just a few of our campers' experiences, that were made possible by our camp sponsors.

Earl, age 56, came to camp last year for the first time and said, "As soon as I got to the camp, I could just sense that I was in the right place. I did so many new things, I lost count!" After his first time in a pool in over 15 years, he's already counting the weeks until this year's camp.

Emma, age 23, was able to participate in new activities like adapted kayaking and boating, but her favorite part of camp was the friendships she made. "My heart is so filled with joy. Thank you to all my new friends, for the memories that'll last a lifetime."

This year, Horizon will host over 100 adults with physical disabilities. At approximately \$1,000 per camper, the total projected cost is over \$100,000. This includes the campsite rental, medical equipment rental, insurance, supplies, activities, and food. In order for Horizon to keep this **free of charge for all participants**, we depend on generous companies and individuals. It is our hope that you will join them.

Thank you in advance for your time and consideration. Please contact me if you have any questions. My email address is [george.czerwionka@associationofhorizon.org](mailto:george.czerwionka@associationofhorizon.org) and my phone number is 847-414-9471.

Sincerely,
