Dear Friend,

This July, Association of Horizon, Inc. (Horizon) will host its 31st Annual Summer Camp Program. After two years of virtual programming, we are thrilled to be returning to in-person summer camp! Our return to in-person Summer Camp is made possible by generous benefactors and volunteers. This year, in addition to continuing to provide new recreational opportunities for adults with disabilities, we are expanding safety precautions, including an increase in Personal Protective Equipment and the number of health staff on site. Below are testimonials about Horizon's continued programming and engagement during the pandemic and safe return to in person programming, made possible by sponsors like you!"

Eli, 21, has attended Horizon since 2018 and participated in virtual Summer Camp and Spring weekend since the start of the pandemic. Eli says, "the group of friends I made at summer camp have helped me stay sane and fight off the isolation caused by COVID." This year, he is looking forward to "seeing friends, making new ones, and looking for new trails."

Yvonne, 47, has attended Horizon since 2010. She has participated in our virtual Spring, Summer, and Fall programs and is a regular participant in our weekly Camp Never Ends zoom calls. Yvonne has enjoyed Horizon's trivia nights and late night hang outs. This year, she is looking forward to "getting out of the house, swimming in the pool and being with friends."

This year, Horizon will host over 100 adults with physical disabilities. At approximately \$1,000 per camper, the total projected cost is over \$100,000. This includes the campsite rental, medical equipment rental, insurance, supplies, activities, and food. In order for Horizon to keep this **free of charge for all participants**, we depend on generous companies and individuals. It is our hope that you will join them.

Thank you in advance for your time and consideration. Please contact me if you have any questions. My email address is jeff.pickert@associationofhorizon.org

Sincerely,

Jeff Pickert
