Dear Friend,

The Association of Horizon is getting ready to host our 32nd annual summer camp and this year we are so excited to create our own music festival! Our theme this year is Horizonpalooza and we are working year-round to plan a fun-filled week full of music, activities, friendship, and memories.

We wouldn't be able to bring our ideas to life or have the ability to adapt activities or offer adaptive sports without your support. Over the years our community has had the opportunity to experience so many amazing activities such as canoeing, cycling, hot air balloon rides, escape rooms, hockey, archery, ziplining, horseback riding, and so much more.

Dan Persak has been volunteering for camp for over 30 years. He says, "If I had to describe camp in one word it would definitely be 'family.' The friendships I have made through camp go way beyond a friendship level. Camp people are my family."

Paula Vanier has also been attending camp for about 10 years, she says that her favorite part of camp is, "There are four things that come to mind when I think about camp: family, friends, activities and fun!! I'd like to thank our donors for

all their contributions that enable campers like myself to participate in activities we may not be able to do outside of camp."

We are very happy and grateful to be able to host in-person camp again this year and excited to share our journey with you! This year, Horizon will host over 100 adults with physical disabilities. At approximately \$1,000 per camper, the total projected cost is over \$100,000. This includes the campsite rental, medical equipment rental, insurance, supplies, activities, and food. In order for Horizon to keep this **free of charge** for all participants, we depend on generous companies and individuals.

Thank you in advance for your time and consideration. Please contact me if you have any questions. My email address is [sawsan@associationofhorizon.org](mailto:sawsan@associationofhorizon.org).

Sincerely,

*Sawsan Abuosbie*
