Dear Supporter,

One month after camp ends we immediately start planning for our next summer camp. Everything from recruiting, fundraising, planning the theme, designing the T-shirt, and more. We have about 20 different committees working on all the different aspects of what makes camp... camp. The best part is, we're all volunteers!

We pride ourselves on the work we do and the efforts we make to bring the best week of the year to the best people on Earth. Every penny that we raise goes directly to camp; everything from the food we eat, the campsite we rent, the materials we use for activities, and the hygiene/medical supplies our community needs. The best part is, that means camp is free for everyone.

One of my favorite days at summer camp is the Saturday before camp, the setup day. We have a number of our volunteers come to the campsite one day early to do everything from organizing all of our supplies to building hospital beds and hoist lifts for those who require one, something the campsite does not provide for us. We've been fortunate to have hospital beds donated to us which we store throughout the year.

We wouldn't be able to host and plan for such an incredible week with all the tools we need without the help of sponsors like you. In order for Horizon to keep this **free of charge** for all participants, we depend on generous companies and individuals. We want to ensure you feel appreciated and just as much a part of our Horizon family whether you attend camp or not. Below is a breakdown of what we do to keep our sponsors as much a part of camp as all our attendees. Welcome to the Horizon family and we hope to see you at camp!

This year, Horizon will host nearly 100 adults with physical disabilities as well as over 100 volunteers. At approximately \$1,000 per camper, the projected cost of Camp is \$150,000. This includes the campsite rental, medical equipment rental, insurance, supplies, activities, and food.

Thank you in advance for your time and consideration. Please contact me if you have any questions. My email address is sawsan@associationofhorizon.org.

Sincerely,

Sawsan Abuosbie
